

Greetings Hunger Task Force Volunteers!

7/31/2017

Thank you for all of your hard work on The Farm. Wednesday, you helped feed hungry children, seniors and families across Milwaukee County!

Hunger Task Force serves over 35,000 people per month, and half of those served are children. Thanks to volunteers like you, fresh fruits and vegetables are delivery EVERY week to local pantries, meal sites and senior center so they can enjoy a dignified, healthy meal.

Check out what your team accomplished:

- Transplanted about 23,000 collard, kale and broccoli plants!

Thank you for spending a morning with us getting nearly the last of our fall brassicas in the ground. We look forward to an opportunity to see everyone back here as individual volunteers.

Thank you, Sarah Christman, Farmer
