

Greetings to the great disciples of Vernon,

COVID-19 what else is there to say about it at this time. The quarantine time has been a very long time for me. I hope that when COVID is addressed on April 24th we will have some good news. At this point what is another week or two? I hope not!

I just want to keep the congregation up to speed on what the leadership is doing. The executive team have been discussing what will worship look like moving forward. Many, many questions come into play and the executives are taking this seriously. We need to make sure we meet the need of all.

Thank you for trusting the great leaders you have at Vernon through out this time. Please keep us in your prayers as we come up with what worship will look like after April 24th. More information will be shared after the 24th of April. May the Lord be with us all. As always, any questions or concerns please feel free to contact me.

Blessings to you all,

Shari Higgins
