

Patricia Ptasinski has been doing lots of walking to deal with the stress of having a daughter who's a nurse on the frontline.

Many members will remember Lisa cuz she played the violin in church when she was in high school.

This is LISA working on Easter Sunday.

She lives in Hollywood near the Hollywood sign and the Hollywood Walk of Fame with her long hair wooly Siberian Husky named KONA who she rescued from a kill shelter about 5 years ago. Kona is the sweetest, smartest companion!

They enjoy walking together even at the beach in the water.

When we all get back to church and see each other again, I may be in really good shape or just totally exhausted!
