

*A serving blessing,*

*God be praised for His power to work through people like you. His Holy Spirit empowers you to serve Him and your neighbors in love. Greatness in Christ's Kingdom is expressed in service to others. God uses your devotion in ministry work, and to Him, and also your love for others to kindle a flame of the Holy Spirit in everyone you teach the gospel of Jesus Christ. In some individuals you will merely plant a seed that will be harvested in a later season by God's choosing.*

*The Apostle Paul said, "I thank my God upon every remembrance of you." God has given each of us so much for which to express thanks yet, we forget. True thankfulness comes from the heart, it is an expression of God's love within us. God is the creator of "LOVE", which flows from Him into our hearts so we can show inner caring in an outward fashion. Your unselfish sharing of your time and talents as you place others first is deeply appreciated.*

*May God always bless your unselfish efforts and fill your life with the spiritual rewards that come from His guiding hand.*

*"Thank-You So Much for believing, trusting and caring In the Name of Jesus The Christ"*

*And, with Paul, "Praise the Lord for the meaning you have given to LOVE."*

*God's Peace Be with You Always
