

Vernon Lutheran Church of Mukwonago Youth Group makes lunches for the Homeless In Waukesha

Covid, Covid, Covid is the word for 2020. So many non-profit organizations are doing their best to help with the low income families, homeless, women center and clothing store during this time.

The youth leader Shari Higgins at Vernon Lutheran Church in Mukwonago and for All Saint Lutheran Church in Wales has plenty of ideas to help others.

We just had a Faith Journey the week of July 20th and youth from both churches went out and helped the community. The idea to feed the homeless came from having 40 pop tarts lefts from our faith journey week.

On Monday, August 3rd we made 40 lunches. Each bag had a peanutbutter & jelly sandwich, applesauce, granola bar, poptart and juice box.

We loaded our cooler and headed out on bike for exercise as apart of a healthy living. We went around frame park and the downtown area. Our youth groups loves to help others. We are servant of the Lords doing his work with our hands and hearts. And we have big hearts.
