Vernon Lutheran Church will be hosting the Badger Teens Encounter Christ 2021. It will be a two-day, non-denominational retreat focused on the Easter celebration. It involves meeting new people, learning new ideas, and confronting the sin that is in each of us.

Throughout the weekend, the teens are also given the opportunity to learn more about their faith and about Christ himself through the personal testimonies of both youth and clergy. Singing is always a very big part of TEC, as is worship and good food, and Shari is working with them.

The event will take place on **August 6-7, for ages 14-20**. The cost is \$50 per participant. Scholarships are available to cover the cost of this incredible weekend of fellowship. Please don't let the cost make your decision not to have your youth participate. *Sign-up now at www.badgertec.org*

All youth events use the sign-up genius links. This link will not change.
