

Revised 2/9/2022

Our Sunday Education for 2022 will begin with the Gospel of John.

Starting on **March 6<sup>th</sup>** after Worship in Shepherd Hall.

John's Gospel presents readers with a portrait of Jesus that is at once engaging and profound. By identifying Jesus as the light of the world and good shepherd, the Gospel gives readers accessible ways to begin thinking about who Jesus is, while inviting them to go deeper, so that readers continue growing in their understanding of who Jesus is and what it means to be related to God through him. The purpose of the Gospel is that people might have faith, and faith is a relationship of trust in God and Jesus Christ. People were created for a relationship with God, and as the Gospel tells the story of Jesus in compelling ways it helps to bring people into that relationship, which is true life. I look forward to studying the Gospel with all of you!!!
